Toy firm just can't bear losing Mutti!

Angela Merkel teddy bears have gone on sale in Germany as she prepares to step down as the country's chancellor.

The luxury bears have a Mutti-style wig, blazer and necklace and their paws are posed in the famous 'Merkel rhombus'.

The limited edition of 500 bears cost 189 euros (£161) each and the chancellor has been gifted number 16 to mark her 16-year spell in the Bundeskanzleramt.
